Question as to who will create the Planning Commission Agenda. The consensus is that for now Dennis Makel's office will do the agenda. Any information that the board wants on the agenda should be sent to Makel's office and cc'd to Michelle Dupree and the Township secretary.

Michael noted that according to the Sunshine Law, if a Township has a website, agendas, minutes and cancellations MUST be posted on it.

There was discussion about having the township secretary typing the minutes.
