Changes Regarding Your Monthly WESA Sewage Billing

Dear Township Resident

Beginning January 1, 2026, all current WESA sewage customers will now be billed directly by Union Township.

Please note that your account number will remain the same to ensure a seamless transition with no changes required by you.

Your check or money order payment will be accepted by mail or at the township office. The township is unable to accept cash payments. For those of you who use automatic bank payments, please remember to update the billing information and address changes with your banking institution.

We appreciate your cooperation as we make this change, and we look forward to providing efficient and reliable service to all residents.

Thank you and Happy Holidays !
